C. OF C. INFORMATION BOOTH HAS SUCCESSFUL SEASON

The Chamber of Commerce Information booth, located in The Gem Shop and operated by Mrs. Diane Saunders has completed a very successful summer tourist season. During the summer 2300 visitors signed the guest book in the shop, and Mrs. Saunders dispensed brochures, pamphlets, and information to countless others.

The booth, an important contact point between town businesses and travelers along the major highways which by-pass the village center, will remain open through the Fall season to assist foliage seekers and hunters.

CANDIDATE COHEN VISITS RUMFORD-BETHEL AREA

Bill Cohen, candidate for U. S. Congress, was in the Rumford-Bethel area last Friday, Sept. 29. He discussed the campaign issues with local citizens.

Cohen, the mayor of Bangor, recently reminisced about the 550 mile walk which began on July 19 in Bethel. He remembered that he, "had to plod through pouring rain the last five miles that first day and I'm certainly glad it was not on me for the whole trip. Everywhere I went, from Bethel to Lewiston, to Houlton, to Fort Kent, people were eager to express their views, to participate in the political system."

COMMENTS FROM THE OFFICE OF THE TOWN MANAGER

The material for absentee voting is in the town office. If a person wants to vote by mail they should notify the clerk as soon as possible in order that time will permit the necessary exchange of material.

Wednesday some of the office staff attended a "Dump Fair" at the CMVTI in Auburn. The purpose of this seminar was to acquaint municipalities with the various means of disposing of solid waste. There are time tables we must follow to satisfy state and federal regulations. By Jan. 1, 1974 studies should be completed to indicate what a community is going to do. Prior to that we must submit by Jan. 10, 1973 preliminary reports, then by June 30, 1973, a final report as to site selection, costs and administrative procedures required to implement the plans must be available.

S. A. D. 44 BOARD MET AT ANDOVER MONDAY EVENING

The board of directors of M. S. A. D. 44 met in regular session at the Andover Elementary School on Monday evening of this week.

Mrs. Madeleine Gibbs, Telstar librarian, presented an excellent review of the services available at the Telstar Library. Her report was supplemented by the presentation of Mrs. Natalie Timberlake for the Locke Mills-Woodstock schools; Edward Flynn, elementary principal of the Bethel schools, and Robert Hamor, elementary principal at Andover, speaking on behalf of the elementary level.

Richard McCann, Telstar drug counselor, presented a report of the Yale Drug Work Shop and of the "team" plans for the S. A. D. 44 area. He was assisted by John Apple, Dana Morgan, Mrs. Jeri Tate, Jannine Wilson and Susan Bryant.

Another member of the team, Rev. Thomas Caton, was unable to be present due to a prior commitment. This team, jointly sponsored by the Bethel Area Health Council and S. A. D. 44 recently participated in the work shop held at New Haven, Conn. The group hopes to be instrumental in providing an alternative to self-destruction for community members of all ages through a "drop in center. Included in these alternatives could be recreational activities, arts, crafts, educational opportunities, a "rap center," counseling, a coffee house, variety of entertainment and other community oriented activities.

The board approved the nomination of Gerald Dugan to serve as assistant drama coach at Telstar Regional High School for the 1972-73 school year. Also receiving board approval were the nominations of Richard Collins as freshman basketball coach, and Daniel Harmon as assistant ski coach for the 1972-73 season.

The board approved and confirmed the memorandum of agreement signed on its behalf by Basil E. Kinney, superintendent, and John K. Brown, vice-chairman of the board, on Sept. 29, as a resolution of a grievance instituted by the S. A. D. 44 Educational Association on behalf of Daniel Harmon. The agreement also bore the signatures of Mr. Harmon and Mrs. Gaudin.

SHOULD WE CONTINUE WITH CUB SCOUTING?

I am glad to report that Cub Scouting could very well be terminated next week. We are in desperate need of help from adults that may have an hour or two a week to help us out. At present we need a Cubmaster, a Webelos Leader, and at least two Den Mothers—can you help us? Experience is certainly not required and it really can be a lot of fun. We will hold a meeting on Monday at 7:00 in the basement of the Methodist Church for anyone who may be able to offer their services. If there is no interest shown at that time Cub Scouting will come to an end in Bethel. Please, don't let this be the last meeting!

LETTER TO THE EDITOR
October 1, 1972

Dear Sir:

I don't understand why our town does not give more news and picture coverage to the worthwhile efforts of our young people. I speak not only about our winning football, cross country and field hockey teams—but refer to all activities which our youth participate in whether it be sports, scholastic achievements, music or drama.

I have noticed how other newspapers play up their youth. Pictures of their activities are plastered on the front pages of local papers. We talk about the bad things our young people are doing and tend to ignore the good.

I don't know whose responsibility it is to have good sports pictures and write-ups of our teams in action—or a front page picture of our Great Marching Band—or a picture of the backstage preparations of the Drama Club getting ready for a rally—but it is sadly neglected in Bethel!

I think School Spirit starts with the local newspaper.

Sincerely yours,
Susan Farrar

EDITOR'S NOTE: It might be well if the writer finds out whose responsibility it is to "have good pictures and write-ups" before taking arms against her "sea of troubles" with a scatter gun. We have made known to school authorities since the time Telstar Regional High School opened in 1968, that a reasonable amount of space was available for photographs and articles. Many of the school organizations have taken advantage of the opportunity, and we know not the reasoning of those who have not.

We do not happen to share the thought that school spirit begins with the local newspaper but rather that it begins with the students, with the added possibility that it has roots at the same location charity does. If it is imposed by an outside group it is apt to have all the spontaneity of a rigged political rally serving only to bolster the ego of its leaders with no thought to the followers.

October 2, 1972

Dear S. A. D. 44 Residents,

Since there has been a great deal of interest expressed in forming a Community Chorus, the S. A. D. 44 Music Boosters will discuss such a possibility at the next meeting.

Monday, Oct. 9 at Telstar (7:30 p. m.) A chorus director has offered to lead such a group; all we need are singers who are willing to give a couple of hours of their time once a week. Come, bring some friends who are interested in helping to formulate plans for a community chorus.

Many thanks to one and all for the fine response to our food sale on Homecoming Day. It would not have been such a success without your wonderful support.

Sincerely,
Mary H. Yeo, secretary

TELSTAR R. H. S. NEWS THIS WEEK AT GOULD

STUDENT COUNCIL. Four weeks ago a team of students, faculty and community members attended a drug dependency institute at Yale in New Haven, Conn. This team has been presenting a report of its program to the student council, Board of Directors, and the Bethel Health Council. The results of the program should be felt soon around the district, but only with the help of interested citizens. The team has not been prepared to set up any definite program in the area, for the obvious reason that anything established here must cater to the unique needs and wants of this area. These needs and wants are not likely to be exactly the same as those of a model program. That is why suggestions and ideas are needed from the community before anything concrete can be realized. - Mike Davis.

GUIDANCE NEWS. All juniors who are considering college, nursing school, or training at a vocational institute should plan to take the combined Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test. The test will be given at Telstar on Tuesday, Oct. 24, at 8:20 a. m. in the Lecture Hall. The PSAT/NMSQT is a two hour test. The fee is \$2.50. If interested, students should sign up in the Guidance Office.

On Monday, Oct. 9, at 1:40, the Army Recruiter will be in the Lecture Hall to speak with interested students.

A representative from the University of Maine Portland/Gorham will be in the Guidance Office at 9:30, on Thursday, Oct. 12, to speak with students.

Also on Thursday, the Navy Recruiter will be visiting the Guidance Office at 9:40.

BETHEL LIBRARY. A book of poetry "Azoth" by Jeff. Ory Clough, has been presented to the Bethel Library.

Five new large type books have arrived. They are special with the visually handicapped in mind, but do come and see them. Titles are: Green Mansions, Hudson; Our Town, Wilder; Voice of Bugle Ann, Kantor; Country of the Pointed Fir, Jewett; Kindling, Shute.

The Book Sale which was held Saturday, Sept. 30, will continue to be held, so do come and browse.

A new magazine at the library is National Antique Review, a monthly guide to antique values.

An exhibit of art work by Mrs. George Bowhay is in the Library on display for three weeks. Mrs. Bowhay studied privately under Lajos Malyar, Hungarian born artist residing at Paris Hill, and with Leo Aulon, Berlin, N. H. She is currently a member of Western Maine Artists Group and Penquid Group of Art.

Mrs. Bowhay has exhibited at the Light House Gallery at Penquid Point with the Penquid Group of Artists Group, and has exhibited widely with the Western Maine Artists Group capturing several prizes. She has also exhibited at the Penquid Museum in Rockland and had a one-man show at Wayne State Academy in Portland. She enjoys working with pencil and especially likes to work with water color.

net who is one of their nice nurses there.

Carroll Yates and a friend from Severance Lodge visited at his parents Saturday night.

We are all so sorry to hear "Plum" Young is a patient again at Maine Medical Center—but hope she will soon be better!

My Birthday—and what a birthday! The day was nice and after getting breakfast out of the way—Estes picked the shell beans while I did this and that. Then the two of us shelled and froze the beans.

Birthday cards and good wishes had been coming in for a week.

Peggy came in and said "We will go out for dinner." She realizes how I love to go out to eat. Yes sirree, I do! So about 11:15 we left and went to town for a few errands and then went to Freddie's Restaurant for a lovely birthday dinner. And it was a good dinner too. After dinner we visited an old Norway neighbor of ours in West Bethel, Mrs. Fred Lovejoy and Lillian. They sure need callers. Neither one is in very good health—they were always good neighbors. From there we went to Waterford fair grounds to River Grange exhibit. Then home again. That should have been enough for a birthday for one old crippler.

But not! After supper Peggy and Blake came in—as we were swapping yarns—who should come in but daughters Viva and Wynona and a baby Wynona takes care of three nites each week. In drives Rodley and Laura. Greg and Lucy—close behind comes Myrna Carter and two girls then Loretta and three small fry.

Then comes son Carroll (better known as Tom) and Bryce and Barbara. Darnita, Elden and Edwick, and last but not least—the phone rang, a call from Portland—son Russell (better known as Joe) called from the Maine Medical Center, where he has been since Sept.

During the phone call, two lovely birthday cakes, coffee, punch and ice cream rained down from somewhere as well as packages and cards with money and all the fixings to make one "old lady's birthday" more than a "Happy" one. Thanks to each and all who came to help me celebrate one of those "Old Enough to be good" birthdays. Rodley and I celebrate the same day. But I'm the oldest of the two! Yep!!

ETHEL BISBEE SCHOOL

This Halloween season the students of Ethel Bisbee School are participating in the "Treat of Life" program sponsored by the United Nations Children's Fund (UNICEF) during the months of October and November.

This program changes wrappers, packages and labels into dollars and cents to be used for better health care for children and mothers throughout the world.

This year's six companies are redeeming labels/wrappers for cash which will be used by UNICEF for the purpose of giving the "Treat of Life" to people in our world who need special medical care and attention.

The following products can have their labels/wrappers redeemed for cash: Clark Gum Co., regular and sugarless gum, 1 cent outer pack wrapper (not stick wrapper); General Foods, Kool-Aid soft drink mix, 1/2 cent per empty envelope; Welch Foods, jams and jellies, 5 cents per jar label; Quaker Oats, Cap'n Crunch cereals, 2 cents special "Treat of Life" coupon on side of package; Quaker Oats, Willy Wonka candies, 1 cent per wrapper for Super Skrunch and Peanut Butter Oompas; Swift and Co., premium frankfurters, 2 cents per front panel; Standard Brands, Royal puddings and Gelatin, 1 cent per front panel.

If you use any of the above mentioned products, the students of Ethel Bisbee School would greatly appreciate your saving these labels/wrappers from them. You may bring any contributions that you have saved to our headquarters in the third grade room at Ethel Bisbee School or send them by a student. Additional information may be obtained from a special eight-page section of the October issue of the "Reader's Digest."

UNICEF needs your help in making our world a happier and healthier place for everyone to live in. Please join with these elementary students in lending a helping hand for making a more promising future for kids their own age. The experience of helping and giving to such a worthwhile cause will make everyone involved with the UNICEF project a lot healthier and a lot happier.

FIFTH WIN OF SEASON

—DEFEAT HALL-DALE 2

Unbeaten Telstar Regional School wasn't bothered by a rainstorm and spongy field running up a 28-6 win against Dale High in a Mountaineer Conference football game played last Saturday.

The visiting Rebels up seasonal record to 5-0 as dogs skidded to a pair of three losses.

Although outweighted, the Rebels more than lived up to their name by putting pressure on the Hall-Dale all the way. Telstar's defensive line held their Hall-Dale counterparts continually broke Bulldog plays.

The winning Rebels notched their first quarter victory over the Hall-Dale by putting pressure on the Rebels' defense. Al Seames to cap a 60-yard drive Telstar only eight points after taking the opening drive.

Workhorse halfback Doug Telstar in position 2, a second touchdown in the quarter, intercepting a pass from Hall-Dale's 3.

Three plays later, fullback Paul crashed five yards for the sixteenth point. Telstar's 30.

Hal-Dale also scored late in the quarter after Bob Briggs' kick-off to Telstar's 30. Steve Smith gained a running yardage to 4 from where he scored. A punt conversion failed.

Telstar puts its undefeated record on the line at Jay's afternoon, when they meet with an identical record.

Hal-Dale 6 0 0
